**Daycare and Boarding:**

Playful Pets Inc. agrees to provide trustworthy pet care services while your dog is in our care. We are an open daycare facility and will not be liable for injuries that occur while your dog is at Playful Pets Inc. Dogs play with their mouths and may scratch or bite while playing. The alternative is to keep your pet in a crated facility. We will provide staff to keep the environment safe and will follow the Kennel Association's guidelines of one staff member for each 10 dogs in our care.

Clients understand that they are responsible for any bites their pet may cause. Playful Pets Inc. will report any such incidents to the local authorities as required by law. Playful Pets Inc. reserves the right to refuse service for any client whose pet displays aggressive behavior.

**Release Clause:**

Should an accident occur, the client agrees to allow Playful Pets Inc. to take their pet to the specified vet or to one in the local area with availability. The client is responsible for any and all vet bills. Should it be determined that the accident was through the fault of Playful Pets Inc., we will not be liable for consequential damages or damages beyond the replacement value of the pet(s).
